WORK EXPERIENCE

► Kitchen January 2022 - Present. Madrid

Kitchen is a creative strategy and media agency with over 16 years of experience, we are able to provide creative solutions handled close to our clients. My role as a part of this agency begun in 2022 of to support the different design projects, creativity and strategy. Some of our clients are: EUROMASTER, MONDELEZ, UNICAJA, ALHAMBRA, PODIMO, AEG among others companies.

► August 2017 - January 2022. Madrid (Spain)

Acciona and Auriga join forces in 2019 to be renamed as Acciona Cultural Engineering. Now It works as a multidisciplinary team to offer creative, technological and sustainable responses that serve to bring us closer to exhibition spaces with a renewed perspective.

My primary job is being conducted to develop experiences feeling a connection between brands and customers. First steps begin from an initial meeting to give us a briefing about the project to conceptualization and developing the project's graphic solutions, event final artwork. Some of the clients I have worked for are: BMW, SAMSUNG, GRUPO MAHOU San Miguel, RON BARCELÓ, ROCA among others companies.

Auriga won two prestigious design awards in 2019.

DATA XMAS. DIELINE AWARDS - Gold. Technology and Self-Promotion

PENTAWARDS - Platinum. Best of Other Markets category.

► | March 2016 - August 2017. Huntingdon (United Kingdom)

Mimeo is an editorial company created in New York (USA), which distributes its services through several more countries such as United Kingdom, Germany and India. My professional exercise as graphic designer was developed in the editorial department of "SchoolPlanner", company integrated in the parent company that provides educational services, maintaining high standards of usability and responsible content for schools and teaching centers which the company is recognized internationally.
